Assistance for irrigation projects in Andhra Pradesh

*31. SHRIMATI VANGA GEETHA:
SHRI RAVULA CHANDRASEKAR REDDY:

Will the Minister of WATER RESOURCES be pleased to state:

(a) what are the details of pending irrigation projects in Andhra Pradesh;

(b) whether Government propose to give special assistance to Andhra Pradesh to complete pending irrigation projects;

(c) if so, the details thereof; and

(d) the action taken to raise the budgetary amount under the Accelerated Irrigation Benefit Programme to complete the long pending irrigation projects?

THE MINISTER OF WATER RESOURCES (SHRI PRIYA RANJAN DASMUNSI): (a) to (d) 35 irrigation projects have spilled over from Ninth Five Year Plan to Tenth Five Year Plan in the State of Andhra Pradesh. The details of these projects are at Statement-I (See below).

Concerned with a large number of major and medium irrigation projects spilling over into Ninth Five Year Plan, the Central Government launched the Accelerated Irrigation Benefits Programme (AIBP) during 1996-97 for accelerating implementation of such ongoing irrigation/multi-purpose projects on which substantial progress has been made and which are beyond the resource capability of the State Governments. The Central Government is providing funds only under this programme to Government of Andhra Pradesh for completion of 11 on-going major/medium irrigation projects as detailed in Statement-ll. (See below) Under this programme an amount of Rs. 869.331 crore has so far been provided as Central Loan Assistance (CLA) to the State of Andhra Pradesh. The CLA under AIBP is released to the State Government on an year to year basis as per the ceiling fixed by the Planning Commission and this ceiling is finalised in the annual plan discussion held between the Planning Commission and State Government.

Statement-I
